EXPERIENCE JAGUAR ACCESSORIES

Your new Jaguar F-TYPE was designed to handle every twist and turn flawlessly and elegantly. With this in mind, our exclusively designed range of Jaguar accessories will live up to your high standards and maintain the aesthetics of your Jaguar. We offer a wide range of stylish and practical interior and exterior accessories to suit every lifestyle, whether you're looking for design features, wheels, or wheel accessories.

METICULOUSLY DESIGNED AND ENGINEERED

Jaguar accessories are engineered by the same team who designed the car itself. They are the experts who understand every intimate detail of your Jaguar. Their expertise allows them to create accessories that complement its overall design, while optimising performance.

TESTED TO THE HIGHEST STANDARDS

All Jaguar accessories are rigorously tested and inspected to ensure absolute quality and lasting driving pleasure. They meet the exacting standards you expect from Jaguar while working in total harmony with your car. Accessories are tested in extreme hot and cold temperatures to ensure they will perform in all conditions, year round. Corrosion resistance testing ensures accessories can withstand demanding climates such as coastal conditions, while a series of tests ensures seamless integration with your Jaguar's existing safety features. Accessories are also put through their paces via bespoke testing specific to their design, function and the materials from which they're made. Exterior accessory testing, for example, includes:

- Exposure to up to two years of direct sunlight known as 'Florida Weathering'
- Heat Ageing Test for 500 hours
- Extreme Heat Test ranging from -40 °C to 80 °C
- Heat Shock Testing during which parts are cooled to -40 °C for 16 hours, then heated to 70 °C for 5 minutes
- Humidity Resistance Test where accessories are subjected to 168 hours at 48 °C in 95-100 % humidity
- Accelerated Environmental Cycle Testing comprising a relentless barrage of salt, dirt and dust to simulate a lifetime of real world driving

QUALITY ASSURED

For additional peace of mind, all Jaguar accessories come with a minimum 12 month warranty. Or can be covered under your vehicle's existing warranty if they're purchased within the first month of ownership or 1,600 kilometres/1,000 miles (whichever comes first).
